

# ***Gartcosh Community Matters***

## ***Upgrade to Open Space around Community Centre***

North Lanarkshire - Local Area Partnership for the Northern Corridor villages recently approved in principle a project proposal submitted to the Local Development Programme by Gartcosh Tenants and Residents Association (GTRA) to upgrade and improve the open space around the Community Centre on Lochend Road.

The proposal has been at an early development stage until now, and we are pleased to be able to share with you the design plans for the open space improvements.

North Lanarkshire Council's - Community Partnership Team in partnership with GTRA will be holding the first in a series of community consultation events during this years

### **Gartcosh Christmas Light Switch On**

**Sunday 8<sup>th</sup> December 2019**

**6:00pm – 8:00pm**

**In Gartcosh Community Centre**

Come along and find out about our ideas for improving the open space and tell us what you think of the plans. We are keen for local people, including children and young people to share their views on this capital investment project.

**Your opinions matter. Your community matters!**

For further information please contact NLC – Community Partnership Team on 01236 638396 or 01236 632694
