## How do you wish your formal objection to be dealt with?

### Both options have equal status with the The Planning and Environmental Appeals Division of the Scottish Government

- By written submissions
- By presenting your views at a Local Plan Examination – Hearing Session (Attendance is at the invitation of the Scottish Government Reporter)

### **REMINDER:**

**Please do not submit this form without commenting:**

**IF YOU CHOOSE TO OBJECT, SUPPORT OR COMMENT, YOU MUST TELL US WHAT YOU ARE OBJECTING, SUPPORTING OR COMMENTING ON (Your representation).**

**YOU MUST ALSO TELL US THE CHANGES YOU WOULD LIKE TO SEE AS A RESULT OF YOUR REPRESENTATION (Modifications sought)**

#### **What happens next?**

The Council will consider all submissions and, if necessary, a Local Development Plan Examination (LDPE) will be held, where an independently appointed Scottish Government Reporter will consider unresolved formal objections. There is a presumption that oral evidence will take the form of a Hearing.

If you have opted to present your views at the LDPE, you may be invited to present your case in person or through an agent. Attendance is at the invitation of the Scottish Government Reporter. At the LDPE, you must provide the necessary copies of your formal objection and supporting information.

If you have opted for your formal objection to be dealt with as a written submission, you need not attend the LDPE as your response can be considered by Written Representations

#### **What Will Happen To Your Submission (Formal Objection or Representation of Support)**

You will receive an acknowledgement of your representation/formal objection. **All submissions** will be available for **public inspection** in Enterprise & Place, Fleming House, 2 Tryst Road, Cumbernauld, G67 1JW, after the closing date and at the time of any Local Development Plan Examination.

#### **After the Local Development Plan Examination**

The Reporter will issue a Report of Examination outlining recommendations that the Council must take into account in deciding how to modify the Plan before proceeding to Adoption.
